

## THE WAY THE COOKIE CRUMBLES

**Sven-Tiki** (slightly adapted from Jeff Berry's *Beachbum Berry Remixed*)

Makes 1 drink

Recommended rums: Shellback or Flor de Cana for light/silver rum; Appleton Estate Rare Blend 12 Year Old or Old Brigand Black Label for dark rum.

1 ounce lime juice  
1 ounce orange juice  
1 ounce unsweetened pineapple juice  
1 ounce grenadine  
1 ounce dark rum  
2 ounces light rum  
½ ounce club soda

Put all ingredients except the club soda into a cocktail shaker. Add 1½ cups crushed ice; cover and shake until the shaker is frosted over. Pour unstrained into a glass. Top with club soda.
