Bolognese Hot Dogs

Makes 8 sandwiches

8 all-beef hot dogs
8 hot dog buns, split
4 cups Bolognese sauce, warm
½ cup (1 ounce) grated parmesan cheese
¼ cup fresh parsley, minced

Heat a grill to medium-high heat. Grill the hot dogs until they are browned and heated through, about 5 minutes. Toast the buns on both sides. Transfer the buns and hot dogs to plates. Fill each bun with a hot dog, then divide the bolognese sauce evenly between the sandwiches. Top with parmesan and parsley; serve immediately.
